

GOVERNMENT CONTRACTING CAPABILITY STATEMENT

Nationwide sourcing, qualified service partners, and one accountable prime.

COMPANY OVERVIEW

Heartland Trade Services, a GEG Ventures LLC company, supports federal, state, and local government requirements by coordinating qualified suppliers, subcontractors, equipment providers, and specialty service professionals. Heartland provides a single accountable point of contact for scope review, sourcing, pricing, compliance, scheduling, documentation, and performance follow-through.

CORE CAPABILITIES

- **Facilities & Recurring Maintenance:** preventive maintenance, service calls, repairs, route-based and multi-site support.
- **Skilled Trades & Mechanical Services:** HVAC, plumbing, electrical, controls, commercial equipment, doors, roofing, and specialty repair coordination.
- **Janitorial, Environmental & Waste Services:** custodial, sanitation, recycling, waste removal, secure shredding, testing, and compliance support.
- **Grounds, Vegetation & Exterior Services:** mowing, landscaping, roadside litter, tree and brush work, vegetation management, and disposal.
- **Equipment, Products & Operational Supplies:** commercial equipment, parts, uniforms, food and consumable products, specialty components, and project-specific sourcing.
- **Specialty Technical Services:** inspection, testing, certification, installation, troubleshooting, biomedical support, fire/security, and field-service coordination.
- **Prime & Subcontractor Management:** provider qualification, quote validation, site access, staffing, backup coverage, deliverable control, and issue escalation.

WHY HEARTLAND

- One accountable relationship from requirement review through contract performance.
- Nationwide network model matched to each project's location, trade, credentials, and schedule.
- Written verification of scope, pricing, assumptions, insurance, licensing, staffing, and contingencies.
- Responsive small-business service supported by disciplined documentation and compliance controls.

GOVERNMENT READINESS

MissouriBUYS powered by MOVERS - Supplier No. 1028736. Experience supporting public-sector solicitation review, compliance matrices, vendor qualification, written pricing validation, Q&A tracking, submission controls, and post-award coordination.
